Dear Mr. Kozeev,

On behalf of the state of South Carolina, I am delighted to welcome you to the Palmetto State. You are the highest ranking Soviet coach of any sport to come to the United States and we are excited that you have chosen South Carolina.

You are recognized as one of the top gymnastics coaches in the world. The job you did with the USSR Junior National Team and the USSR Olympic Team was truly magnificent. This success was a direct reflection of your discipline, spirit and leadership as you trained young people to work as one unit, a team. We look forward to such accomplishments in the United States.

Please accept my wishes for continued success and I look forward to seeing you and your gymnasts perform!

Sincerely,
